

EDUCATIONAL LEADERSHIP PROGRAM GUIDELINES**Major: Sport Management
(KSOCSCI BS - SPM)**

These guidelines summarize the requirements for a Bachelor of Science for students following the 2025-2026 requirements.

The Sport Management major prepares students for employment in the marketing, promotion, and/or management of sport-related enterprises. Such areas can include community, college/university, professional and corporate sport organizations.

A. General Education Requirements

The General Education Requirements listed in the Academic Regulations of the University of Connecticut Undergraduate Catalog 2024-2025 include:

- Content Area I – Arts and Humanities 6 credits
- Content Area II – Social Sciences 6 credits
- Content Area III – Science and Technology 6-7 credits
- Content Area IV – Diversity and Multiculturalism 6 credits

Lower division requirements have been selected to assist students with completing the general education requirements, including two W courses (one must be 2000-level or higher and associated with the student's major), two Q courses (one Q course must be from Mathematics or Statistics), and an Environmental Literacy (E) course. The courses fulfilling the Content Areas One, Two, and Three requirements must be drawn from at least six different subjects as designated by the subject letter code (e.g., ANTH). The courses within each of these content areas must be from two different subjects.
